OWC U2 ShuttleOne

PREMIUM HEAT-DISSIPATING ADAPTER CONVERTS NVME M.2 SSD INTO SWAPPABLE U.2 SSD

The OWC U2 ShuttleOne brings U.2 SSD performance and capacity to the mainstream with a flexible, easy to use "build your own," heat dissipating, full metal adapter. Performance enthusiasts, IT admins, M&E pros, gamers, and more can now use a readily available and affordable NVMe M.2 "blade" style SSD in a 2.5-inch U.2 bay. Whether you have a U.2 bay equipped server, workstation, gaming rig, or external drive; the OWC U2 ShuttleOne gives you access to a new world of storage possibilities.

Small form NVMe M.2 SSDs pack a powerful performance punch. But swapping them can damage the connector and make the drive unreadable. The OWC U2 ShuttleOne lets you swap your NVMe M.2 SSD at will in any 2.5-inch U.2 drive bay with the peace of mind that your drive will stay protected.

This impressive adapter is fully compliant with up to PCIe Gen 4 speeds. This means the OWC U2 ShuttleOne supports your drive's fastest performance up to 8,000MB/s. Yes... you read that correctly. The OWC U2 ShuttleOne has the chops to make your dream of mind-blowingly fast speeds a reality!

Key Features

- Easily install an NVMe M.2 SSD in minutes
- Protects your SSD connector from wear
- Supports the highest speed your SSD can deliver
- Fully PCIe Gen 1-4 compliant for today's and tomorrow's SSDs, up to 8,000MB/s
- Use in 2.5-inch U.2 bays and in OWC ThunderBay Flex 8, Mercury Pro U.2 Dual, and Mercury Helios 3S with U.2 NVMe Interchange System
- Full metal housing keeps drive running cool and throttle-free

OWC U2 ShuttleOne

TECH SPECS

INCLUDES

- U2 ShuttleOne
- Quick start guide

SPECIFICATIONS

Interfaces

- NVMe U.2 (PCIe 4.0 x4)
- NVMe M.2 M-Key 2280 (PCIe 4.0 x4)

Form Factor

- 2.5-inch drive

Bootability

- Mac: Yes
- PC: Yes

SYSTEM REQUIREMENTS

Operating System

- macOS 10.13.6 or later
- Windows 10 or later

Hardware

- Mac or PC with a 2.5-inch 9.5mm drive bay supporting NVMe U.2 connection
- Mac or PC with one of the following OWC solutions:
 - Mercury Helios 3S with U.2 NVMe Interchange System (lockable)
 - Mercury Elite Pro U.2 Dual (not lockable)
 - ThunderBay Flex 8 (not lockable)

WARRANTY

3 Year OWC Limited Warranty

DIMENSIONS + WEIGHT

Enclosure Dimensions

- 2.8 in (W) x 0.4 in (H) x 4.0 in (D)
- 7.0 cm (W) x 0.95 cm (H) x 10.1 cm (D)

Enclosure Weight

- 0.3 lb (134 g)

Box Dimensions

- 6.0 in (W) x 4.3 in (H) x 1.4 in (D)
- 15.2 cm (W) x 11.0 cm (H) x 3.5 cm (D)

Box Weight

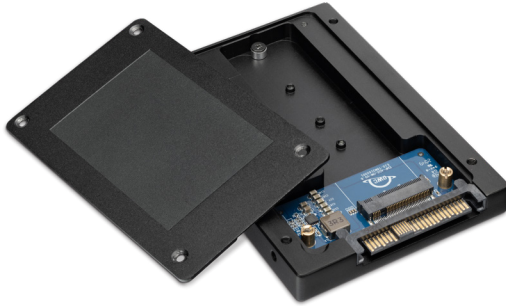

- 6.2 oz (177 g)

Master Carton Dimensions — 20 pieces

- 15.2 in (W) x 12.7 in (H) x 10.0 in (D)
- 38.5 cm (W) x 32.3 cm (H) x 25.4 cm (D)

Master Carton Weight — 20 pieces

- 17.0 lb (7.7 kg)
